# ABOUT US

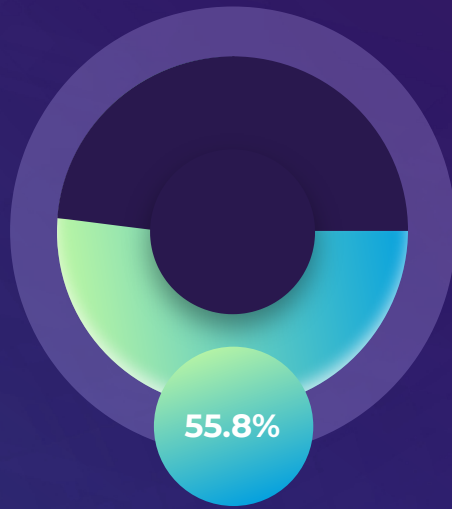

Founded in 2007, Realtyna is a leading provider of real estate online solutions to agents, brokers, and real estate companies. Our solutions empower hundreds of websites in North America and worldwide.

Realtyna is also a household name when it comes to educating real estate agents and brokers on technology, marketing, daily real estate business and MLSs. Our active blog has been working for the past four years with the mission to educate real estate agents and brokers, in the US and globally.
